

*There are 206 bones,
650 muscles and more than
230 joints in the human body ...*

**Isn't it good to know
BONE & JOINT
is here to care for you?**

Bone & Joint has grown to become one of the most comprehensive providers of orthopaedic and musculoskeletal care in the region. At our Wausau-area musculoskeletal and surgery center, and in our community clinics in Medford and Merrill, you'll experience the exceptional care you've come to know, along with the convenience of one location for all of your orthopaedic and musculoskeletal care needs.
